## A Global Approach for the Holistic Development of a Student

Our insight to prepare children for the future as Global citizens, the School believes in formulating the academic and non-academic areas as presented in the framework.

## [Pre - Primary]

Toddlers

### BUDDING STONE

To nurture the youngest minds, B.D.M. International has modelled "Budding Stone" for the Toddlers and Prep kids. This is a unique, enclosed and specially designed area, where the little ones can blossom. It has a hi-tech auditorium and indoor play area. In this age appropriate ambience, the children will be safe. The kids enjoy studying and playing under proper care and vigilance of specially trained staff.

## [Learning Experience]

### Maths Lab

B.D.M.I. is well equipped with Math Labs in collaboration with Jodo Gyan, Delhi for the students of I to VIII where teaching Maths in an innovative laboratory setup provides students with the opportunity to understand and discover the beauty, importance and relevance of Maths as a discipline.

### ORELL English Lab

In keeping with the motto to develop all four language skills - Listening, Speaking, Reading and Writing. B.D.M.I. has joined hands with ORELL Techno Systems which has provided language labs and dedicated library for the convenience and technology oriented learning for students.

### Delivering Effective Online Teaching-Learning

We are ceaselessly working together as a Team to improvise on the usage of Tech Tools to ensure an age - appropriate delivery of level wise lessons.

We are continuing our Online Classes through the latest technology to maintain the efficacy of the education system, Online Examination has also been conducted through B.D.M.I. App.

The present COVID-19 situation has necessitated the reframing of the entire curriculum. We have adopted the guidelines as per CBSE and implemented them in our Tech-based classrooms.

We are part of the e-learning ecosystem in which a Blended Learning Approach is our guiding model. B.D.M.I. has undergone a thorough Digital Transformation during this challenging time to deliver the best possible Teaching-Learning Experience to our students.

## SAFETY INITIATIVES TAKEN TO ADAPT THE 'NEW NORMAL'

We have started planning on how to make the system safe and provide a happy learning experience to our dear students. Some of them include:-

- \* Restructuring the Classroom Seating Arrangement and Modifying the time slots of respective classes.
- \* Adopting the policy of No Assembly to avoid gathering and reinventing ways of conducting Extra Curricular Activities (ECA) classes or Library periods.
- \* Keeping extra Vigilance during the entry, recess and exit time of the students.
- \* Sanitizing School Buses and lab equipments regularly.
- \* Arranging Awareness Programmes for the support staff.
- \* Ensuring that the food items prepared at the canteen comply with the hygiene norms.
- \* Our educands are like Angels to us and their safety is Our Top Priority.

### Safety Measures

#### DURING THIS PANDEMIC SITUATION

The Management of the School has already laid down a systematic plan to create a hygienic School Environment for our dear learners. We are planning to make the system future ready to safeguard the health issues of all the members of the B.D.M.I. family. The following measures have already been adopted:-

- \* **Thorough Thermal Check up.**
- \* **Extensive and frequent use of hand sanitizer.**
- \* **Mandatory use of masks.**
- \* **Regular Sanitization of lift, other surfaces of physical contact and disinfecting hard surfaces as well.**
- \* **Installation of wash basins along with foot tap sanitization points at the entrance.**
